

Dental Consent Form

Waukon Veterinary Service

Please review all of the following:

Extractions

- Please notify any of our office staff of any problem teeth you believe your pet may have
- Minor extractions with minimal invasiveness will be done by the technician completing the dental
- In the event of a major extraction, involving a more surgical approach, the consulting veterinarian will complete the extraction(s)
- Resulting major extraction(s) may be priced up to \$150 and above
 - Major extractions will need to be discussed with the consulting veterinarian prior to the procedure, either in person or via phone

Quotes

- Quotes can be offered for any dental procedure provided
 - Please remember quotes provided are merely an estimate
 - Actual procedure costs can vary at any time in congruence with changing circumstances during the dental process

Procedure Consent

Please indicate below which procedures you would like performed on your pet:

- Only minor extractions performed by a technician
- Major extractions (if needed) performed by a veterinarian
- Veterinarian consult prior to dental procedure
- Phone call from veterinarian if major extractions are needed
